<b>Grad Doc Status</b>	<b>Document Type</b>	<b>State Reporting Impact</b>	<b>NOTES</b>
Non-Graduate	No Document Type	This Grad Doc code has no impact to state reporting, only SDUSD Exit Page codes are used to report drop outs/ non-grads.	Use this Grad Doc status to report students who have been confirmed as <b>not</b> meeting all graduation requirements by June 30th, student <b>not</b> returning for summer school or who is returning as a 5 <sup>th</sup> year student in the 2021-2022 school year.
Pending  (Change to Grad or Non-grad after summer school)	May be any document that's valid for grad status of Graduate or Certificate Completer	May impact state reporting negatively if SDUSD Exit Page and appropriate codes are not updated accurately in PowerSchool after summer school.	Use this Grad Doc status to report students attending summer school to complete graduation requirements by July 30, 2021.

*Consideration should be given to asking 10-month registrars to work past their last day to complete the tasks needed to accurately accomplish the above responsibilities that are key to final district state reporting. The OTBS contract must be followed in terms of payment for time worked or for compensatory time recorded.*

The district office will centrally change all Class of 2021 exit codes to graduate or certificate of completion, as reported on Grad Doc in June 2021. After summer school, the remaining class of 2021 students will be verified in PowerSchool to determine if they met all graduation requirements or if they are pre-enrolled in PowerSchool for the upcoming 2021/22 school year.

Sites will be responsible for verifying exit codes of all outstanding Class of 2021 students via the District Exit page by the **8/13/21** due date. Students not verified by the site will be reported as “Dropouts” for CALPADS reporting purposes.

**Federal Guidelines of Official Student Exit Documentation is explained in full detail in Site Operations Circular No. 2030: Monitoring District Leavers**

Per state and federal guidelines, **official written documentation** must be kept on file for students who leave the district before graduating and (1) enroll in a California private school or (2) enroll in an out-of-state school. Information provided by a parent or friend of the family whether in-person, by telephone, or email is NO longer considered sufficient documentation for these two types of transfers.

Examples of official written documentation include:

- A records request from the receiving school (mailed, faxed, or emailed).
- Written communication from an official at the receiving school acknowledging the student’s enrollment (mailed, faxed, or emailed).
- A copy of the student’s school schedule or report card on the receiving school’s letterhead.

Please note that if a student moved out of the country, information provided by a parent or friend of the family, and noted as such on the District Exit page, continues to be sufficient documentation.

**The deadline for documenting Class of 2021 “district leavers” on your list is August 13, 2021; for the Class of 2022 or later, the deadline is October 22, 2021.** After these deadlines, the exit codes for students without the required documentation will be changed to E140 (Dropout – truant) or E400 (Dropout – unknown reason).

If you have any questions regarding the district leavers process, please contact Mara Bernd ([mbernd@sandi.net](mailto:mbernd@sandi.net)). Thank you for your efforts with this important task.
