Brief Explanation:

The District Seal of Biliteracy is an award granted to high school seniors upon graduation certifying attainment of mastery in two or more languages. The Seal of Biliteracy is directly linked to the Language Learning Policy adopted by the San Diego Unified School District Board of Trustees in August of 2009, which recognizes that “in addition to being academically prepared and fully proficient in English, all students benefit from being proficient in another language”.

In addition, attainment of the Seal of Biliteracy by graduating seniors clearly advances tenets of the District’s Vision 2020 plan for “preparing our students for the competitive global economy

they will face in the years ahead” and the Vision 2020 goal to ensure that “students from all backgrounds in our district develop the ability to communicate in two languages.” Qualifying students graduating in the spring/summer of 2017 will receive the District Seal of Biliteracy.

The State Seal of Biliteracy, AB 815, was signed by the governor and enacted into the California Education Code on October 8, 2011. As more information becomes available from the California Department of Education, revisions and alignment to the district criteria for the Seal of Biliteracy may be warranted.

The student application form explains the specific criteria that must be met and documented in order for students to fulfill the requirements for the SDUSD Seal of Biliteracy.
