Benefits, premium and/or copayments/coinsurance may change each plan year.

1 Drugs and prices may vary between pharmacies and are subject to change during the plan year. Prices are based on quantity filled at the pharmacy. Quantities may be limited by pharmacy based on their dispensing policy or by the plan based on Quantity Limit requirements; if prescription is in excess of a limit, copay amounts may be higher.

2 The Formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.
